Grammar

想 = xiǎng is used to mean want to/ would like to and is usually followed by another verb: 我想吃鸡蛋.

In Chinese you usually add the verbs for eating / drinking when you say what you like or dislike: 我喜欢吃米饭. 我不喜欢喝咖啡.

Word order: *subject* (I, you, Mum etc.) + *meal* (breakfast etc.) + *verb* + *food*
我午饭吃炒面.
