

Employers would you like to work with us?

Woking High School would love to hear from prospective employers who would be willing to support our students with meaningful encounters in school or host a workplace visit. There are many ways you can share your experience and help build our students' knowledge of employability skills, the workplace, the labour market and job search skills.

At Woking High, we have a whole host of activities you could join in with and we are always open to new ways of developing our careers programme if you have ideas of your own! Below are a few examples of events we have run and events we hope to run in the near future with your support:
