

31st October 2022

Dear Parents and Carers,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing the next steps beyond secondary school we will now be using Unifrog with our A2B Careers programme. Unifrog is an award-winning online careers platform which works with over half the schools in the United Kingdom. All students in Years 10 and 11 now have access to this excellent website.

The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

- Exploring Pathways – personality quizzes, career and subject profiles and webinars.
- Recording – self-reflection about extra-curricular activities and key employability skills.
- Opportunities – search tools showing live vacancies/courses/placements for apprenticeships, FE, virtual work experience and much more.
- Applications – tools to help students build applications for a range of pathways (e.g, CVs, Personal Statements).

Students can access the platform for the first time using a link which will be sent to their school email account. They can then login to Unifrog using their school email address and password. After this they can then revisit Unifrog from any computer, tablet or smartphone (when outside of school). We would encourage you to use the platform with your child so you can support them through the process of deciding their next steps.

Please refer to the link for further information on Student Privacy in using this platform, and if you have any concerns, please do get in touch. <https://www.unifrog.org/privacy-notice-student>.

For more information about the Unifrog platform, go to www.unifrog.org or contact Miss C. Jarman (Careers Coordinator) cjarman@wokinghigh.surrey.sch.uk.

Yours sincerely,

Mrs K. Wilson
Subject Lead for A2B
