Year 9 Set Text for English Literature

Dear Parents/Carers,

Our English curriculum provides the opportunity for our students to practise their retrieval skills in relation to a chosen set text. During the second half of this term, Year 9 will be studying the novel 'Of Mice and Men' and the assessment of this text will take place at the start of the spring term.

We would like to offer you the opportunity to purchase a copy of 'Of Mice and Men' at a competitive rate compared to popular online retailers. Whilst purchase of the text is optional, it is beneficial for students to own their own copy of the text, as they will be able to annotate it during lessons and then later use it as a valuable revision tool. Students are welcome to bring in privately purchased copies of the texts, but we find having the same edition helpful as it enables us to identify specific passages more easily in class.

The text edition and cost is as follows:

- Of Mice and Men ISBN: 9780141023571 £6.20

If you wish to purchase this text, please pay online at www.scopay.com. The text will be available on your account until **Friday 7th October**. Please note, once you have completed your purchase, it will still show as being available to buy. To avoid duplicate purchases or in case of doubt, please check your email receipt or your payment history on Scopay (menu>your info>payment history).

Families who are experiencing financial difficulty and may not be able to meet the cost of the book, please email Mrs Kennedy at skennedy@wokinghigh.surrey.sch.uk.

The book will be distributed to students after October half term.

Please do not hesitate to contact us if you have any questions.

Yours sincerely,

Miss Swancutt

Acting Head of English
