7th July 2022

Dear Parent/Carer,

Re: Human Papilloma Virus (HPV) vaccination e-consent

The Children and Family Health Surrey Immunisation team is visiting your child's school on **Wednesday 28th September 2022 or Thursday 29th September 2022** to give the HPV vaccination to year 8 students.

The HPV vaccine is given in two doses, 6 to 24 months apart. The e-consent form covers both doses. Further information about this vaccine is available on the [Gov.uk website](https://www.gov.uk) and the [Electronic medicines compendium \(emc\) website](https://www.electronicmedicines.compendium.org/)

Please complete the e-consent form by 4pm on Wednesday 21st September 2022 by visiting:

- www.surreyimmunisations.co.uk and entering your school's unique code/URN number **SR139993**
- If you do not want your child to receive a vaccine, then please fill in the 'No' box.
- If you are completing the e-consent before 31 July 2022 for the next school year please select year 7. If you are completing the e-consent after this date please select year 8.

An automated email will be sent to you on completion of the e-consent form from Cinnamon Digital Applications (who host the website). If you do not receive this, please check in your junk email or contact the Immunisation team.

If you have any concerns or would like to withdraw your consent please contact the Immunisation team on the telephone number or email above.

Measles, Mumps, Rubella (MMR)

By now your child should have had two doses of MMR to fully protect them from the diseases of MMR. If your child has NOT had two doses of MMR, and you would like them to be protected, please complete the MMR consent form. Further information about this vaccine is available on the [gov.uk website](https://www.gov.uk)

Please visit the [Children and Family Health Surrey website](https://www.childrenandfamilyhealthsurrey.nhs.uk) for information about the school-based vaccination programme and to read our [Privacy Policy](#)

Yours faithfully

Clinical Service Manager
Surrey Immunisation Team

GDPR

On the 25 May 2018 the new EU General Data Protection Regulation (GDPR) came into force bringing with it improvements to Data Protection Regulations. GDPR was enacted into UK Law by the UK Data Protection Act 2018. Under the GDPR organisations have a statutory responsibility to have a Legal Basis when gathering and processing certain data. More details on this and how your information rights are upheld are provided in our Privacy Notice, which can be viewed on our website at www.childrenshealthsurrey.nhs.uk/about-us/privacy-policy

While we will continue to seek your explicit consent for the treatment of your child/children, your information will be processed under the following GDPR articles:

Article 6 (1) (e)

For the performance of a task carried out in the public interest or in the exercise of official authority.

Article 9(2)(h)

Necessary for the reasons of preventative or occupational medicine, for assessing the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or management of health or social care systems and services on the basis of Union or Member State law or a contract with a health professional.
