

9th March 2023

Dear Parents and Carers,

As you are aware, we were able to keep the school open on the two first NEU strike days on 28th February and 2nd March due to low numbers of staff being out on strike and being able to secure cover staff; however, we have been informed that significantly more staff are considering striking on 15th and/or 16th March. If a substantial number of staff are striking, we will have to consider our response and it may be different to previous strikes. We are liaising with staff and the NEU representative about numbers on strike to enable us to make clear plans for the dates in question.

As it stands, students will need to arrive for school at 9.10am on 15th and 16th March as previously; however, I will keep you updated about any changes.

Thank you for your continued support and patience.

Kind regards,

Mrs Walter
