Dear Parents and Carers,

We are pleased to have received a generous donation from Woking Foodbank, meaning that we are able to directly support Woking High School families at this time.

A small box of essential items, including canned foods such as beans and soup, dried food including pasta and porridge, will be available to families in need.

If you feel that you require a food parcel, or would like to discuss this option further, please contact your child's Pastoral Coordinator:
