

February 2023

**Year 9 Options Information Evening and Subject Fair**

Dear Parents/Carers,

We warmly invite you to attend the Year 9 Options Information Evening and Subject Fair on Monday 6th March. The purpose of this information evening is to explain how the Options process works; to introduce you to the KS4 courses and to offer professional advice and guidance. The evening will consist of a talk, which sets out the practical aspects of the Options process, and a Subject Fair, where all subjects will be represented and staff will be available to answer any subject specific questions you might have.

Students are not required to attend the Options Information talk, as they will receive the information being presented to parents/carers that evening at their assembly on 6<sup>th</sup> March; however, students are welcome to join their parents/carers for the Options Subject Fair, which will be in the Main Hall from 6.00pm to 7.30pm.

Year 9 Options Evening is a well-attended event, so to ensure that everyone is able to hear the information we run two identical presentations, one after the other. The talks will be at 6.00pm and 6.30pm. Tutor groups 9R, 9I, 9D and 9G are invited to attend the 6.00pm talk and then go into the Subject Fair and 9E, 9W, 9A and 9Y are invited to attend the talk at 6.30pm, visiting the options fair before or after the talk.

If you have any specific questions about the Options process prior to the event, please contact me on [MABBSROWE@wokinghigh.surrey.sch.uk](mailto:MABBSROWE@wokinghigh.surrey.sch.uk). If you are unable to make this event, please note that the presentation from the evening will be available on the school website from midday on 7<sup>th</sup> March 2022 and the specific subject information will be in the options booklet, which students will receive after their assembly.

We look forward to seeing you there.

Yours sincerely,

**Mrs M Abbs-Rowe**  
**Assistant Head teacher**
